Mr. E. J. Skeen
c/o Van Cott, Bagley, Cornwall & McCarthy
P. O. Box 45340
Salt Lake City, Utah 84145

Dear Mr. Skeen:

I have enclosed copies of the 1986 and 1987 water assessment calculation sheets for the Little Bear River Distribution System. The units indicate the number of acre-feet used for the year previous to the water assessment preparation. Each user is to pay on a pro rata share based on their previous year's usage.

The budget went from \$1405.00 in 1986 to \$6025.00 in 1987 as authorized at the annual Distribution System meeting held on January 29, 1987 in Hyrum, Utah. Arvin Leishman represented the Wellsville East Field Canal Company. A copy of the minutes is enclosed for your review.

The budget increased by such a substantial amount due to the discontinuation of the gaging station operations by the U.S. Geological Survey and the expenses incurred by the distribution system in picking up those costs. \$3400.00 of the increase was for calibrating and monitoring the gaging station for the first year (which was anticipated to be less next year) and \$1000.00 for the installation of the gaging station at a more suitable location as a result of past flooding damage to the old site.

If you have any further questions or need clarification please contact me.

Sincerely Yours,

Kent L. Jones, P. E.
Directing Engineer, Distribution

The 1986 minutes were read by LeRoy Jackson. Motion by Jay B. Bankhead that the minutes be accepted as read. Seconded by William Obray. Motion passed. Chairman Barnard White explained that USGS in past years has kept track of the water flow in the Little Bear River at three locations. Jay Bankhead made a motion that we do not decide this question in the Director's meeting, but that we present it to the users in the water users' meeting. Motion seconded by Arvin Leishman. Motion passed. Motion made by William Obray that we recommend a budget of \$1605 (sixteen hundred five dollars) for the year 1987. Seconded by Jay Bankhead. Motion passed. This budget is \$200 (two hundred dollars) more than the 1986 budget was. The purpose of this is to give Hansen Associates an increase in pay for their services.
